#### An Advocate for Community Oncology

As drug prices rise and reimbursement challenges increase, community oncologists can benefit from the power of community. The Onmark GPO negotiates on your behalf to secure beneficial contracts to meet your practice's needs, including:

- Drugs
- Medical-surgical supplies
- Laboratory supplies
- Office supplies

#### Join Today

To join the Onmark GPO submit a completed membership application through your account executive. There is no fee or purchase requirement. For additional questions, call our Customer Care team at 800.482.6700.
